1. Introduction

In today's era, having an online presence is important for businesses to remain relevant and accessible. This proposal outlines the development of a website for Brew Haven Coffee Shop. This focuses on planning, structure, and resources needed to create a functional, well put together website.

2. Business Overview

2.1 Business Concept

Brew Haven is a local coffee shop founded in 2022 that offers high-quality coffee, pastries, and a relaxing environment for customers. The business aims to create a welcoming space for students, professionals, and casual visitors. (OpenAI 2026)

2.2 Target Audience

- Students and young professionals
- Remote workers
- Locals
- Coffee enthusiasts

3. Purpose of the Website

- Promote the coffee shop to first time and returning customers
- Provide information such as menu, location, and operating hours
- Attract new customers
- Enhance customer engagement

4. Advantages of Having a Website

- Increased visibility and accessibility
- 24/7 availability of information
- Improved marketing and branding opportunities
- Better customer communication

Having a website allows businesses to reach a broader audience and remain relevant in a digital marketplace. (Chaffey, 2022).

5. Key Success Indicators

- Website traffic (number of visitors)
- User engagement (time spent on site)
- Customer inquiries or visits generated
- Ease of navigation and usability

These indicators help evaluate whether the website meets organisational objectives (Laudon & Traver, 2021).

6. Required Resources

6.1 Technical Resources

- Computer or laptop
- Code editor (Visual Studio Code)
- Web browser (e.g., Chrome)
- HTML, CSS and JavaScript for website development

6.2 Human Resources

- Web developer
- Content creator (for text and images)

6.3 Estimated Budget

- Domain name (annual): R180 – R300
- Web hosting (basic plan): R600 – R1,500 per year
- Website design/development: R0 – R2,000
- Professional photography (coffee products and shop images): R500 – R2,500
- Menu design and branding assets: R300 – R1,000
- Maintenance and updates: R300 – R1,000 per year

7. Legal and Ethical Considerations

Proper attribution should be given where required. Using copyrighted material without permission is unethical and illegal (Stim, 2020).

8. Website Structure Plan

8.1 Sitemap

The website will consist of the following pages:

- Home
- Menu
- Gallery
- About Us
- Contact

8.2 Navigation Structure

Each page will include a navigation bar linking to all other pages to ensure ease of use and accessibility.

9. Conclusion

The development of a website for Brew Haven Coffee Shop will enhance its visibility, improve customer engagement, and support business growth. By following proper planning, structure, and legal guidelines, the website will effectively meet its intended objectives.
